

## Groveport Elementary School 2018-2019 School Year Goals

### Academics

Reading achievement will increase by 10% for 3rd (66.7% to 73.3%) and 4th grade(66.1% to 72.7%) and 5th grade will meet the state standard of 80% (75.4% to 80%) on the English Language Arts State Test.

### Intention

During the 2018-2019 school year, five out of the six grade levels observed growth will meet the projection or be within the observed standard error for Math on the Summary Growth Report.

### Mindset

During the 2018-2019 school year, we will decrease out of school suspensions by 20% from the 17-18 school year reported suspensions resulting in less than 65 out of school suspensions. (Baseline: 80 OSS incidents for 164 days 2017/2018)

### Leadership

For the 2018-2019 school year, we will increase the number of students who score basic, proficient, accelerated, and advanced performance levels by 20%. Our baseline score of 91.030 points (75.9%) will increase to 94.309 points (78.6%) on the achievement component.
