

Groveport Madison High School 2018-2019 School Year Goals

Mindset

The high school will create an environment for optimal learning whereby students have the understanding and tools for thinking, feeling, behaving and relating to others in a way that promotes current and future success by implementing a mediation component that emphasizes emotional analysis and conflict resolution.

Intention

The high school will create an educational atmosphere that produces experiences in building relationships that positively impact student social and emotional learning and will support and unlock their maximum potentials.

Academics

The high school will increase the performance levels in the categories of advanced, accelerated, proficient, and basic by 20% resulting in a PI score of 69.9. (Baseline PI score of 65.0).

Leadership

We will create a standards-based growth goal tracking program for students with IEPs that will track progress or growth toward standard mastery in AIR tested subject areas for individual students with an IEP.
