2018-2019 School Year Goals
Jeff Jones, Principal

Mindset

During the 2018-19 school year, Middle School North will implement a multi-faceted system to support the mindset needs of our students in multiple categories, resulting in the creation of a mentoring program for boys and girls, in-school tutoring by community members, and community partnerships that can increase resource streams and supports for student needs.

Intention

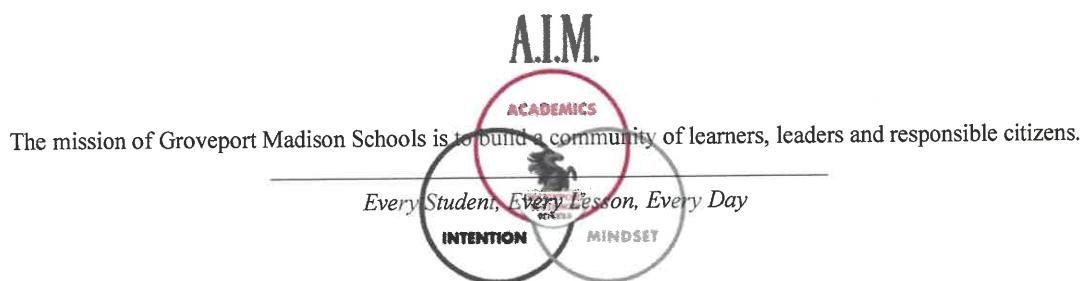

During the 2018-19 school year, Middle School North will implement a multi-faceted system to support the needs of our students in multiple categories, reducing the number of discipline events from the 2017-18 school year by 10%.

Academics

During the 2018-19 school year, Middle School North will implement a standards-based curriculum and collect appropriate data to drive instruction that will result in an overall increase in achievement by all students on the Ohio AIR assessments.

Leadership

Increase Basic, Limited, Proficient, Accelerated, and Advanced performance levels by 20%, improving Middle School North's Performance Index score to **78.5**.
