Media and Internet Release Form

Groveport Madison Schools may develop, participate in or be the subject of media based presentations and events, which highlight various educational activities that take place during the course of the school year. These events may be photographed, videotaped, audio recorded, televised, and/or duplicated. There may also be times when pictures and/or information about contest winners, student's work, as well as student activities in the classroom may be posted on the school's web page. Student names will not be posted with their pictures.

We value your child's participation, and ask for your permission to include him or her. If you wish to have your child included in these events and activities, you do not need to do anything. This media release form will serve as permission to use or post such information as needed. **If you would NOT like to have your child photographed or interviewed for any media purpose, please, indicate by completing and signing the form at the top of this paper and return it to your child's teacher.**
