

Parent Email Contact List

Sedalia is trying to find the most efficient ways to communicate with our parents and provide important information regarding programs, calendar information, events or to just share the great things that our staff and students are doing. We know that sending and receiving information electronically is one of most effective ways for us to deliver this type of information to you. We would like to be able to send out mass emails to parents with building news and information. If you would like to receive this information please fill out the information at the bottom of the page and send it back to school with your child. The contact list will be built over the next couple of weeks so we can get that building information out to you as soon as possible. We have that information on file and will be using it to build our group contact.
