Internal Complaint Procedures

Any employee who believes that s/he has been subjected to unlawful discrimination/retaliation may seek resolution of his/her complaint through the procedures described below.

Due to the sensitivity surrounding complaints of unlawful discrimination or retaliation, timelines are flexible for initiating the complaint process; however, individuals should make every effort to file a complaint within thirty (30) calendar days after the conduct occurs. Once the formal complaint process is begun, the investigation will be completed in a timely manner (ordinarily, within fifteen (15) business days of the complaint being received).

The procedures set forth below are not intended to interfere with the rights of any individual to pursue a complaint of unlawful discrimination or retaliation with the United States Department of Education Office for Civil Rights, the Ohio Civil Rights Commission ("OCRC") or Equal Employment Opportunity Commission ("EEOC").

Informal Complaint Procedures:

An individual who believes s/he has been unlawfully discriminated/retaliated against may make an informal complaint, either orally or in writing: (1) to a building administrator; (2) directly to one of the COs; and/or (3) to the Superintendent or other District-level employee. The COs will either facilitate an informal resolution as described below, or appoint another individual to facilitate an informal resolution.

The School District's informal complaint procedure is designed to provide employees who believe they are being unlawfully discriminated/retaliated against with a range of options aimed at bringing about a prompt resolution of their concerns. Depending upon the nature of the complaint and the wishes of the individual claiming unlawful discrimination/retaliation, informal resolution may involve, but not be limited to, one or more of the following:

- A. Advising the individual about how to communicate his/her concerns to the person who allegedly engaged in the discriminatory/retaliatory behavior.
- B. Distributing a copy of Policy 1422 – Non-Discrimination as a reminder to the individuals in the school building or office where the individual whose behavior is being questioned works.
- C. If both parties agree, the CO may arrange and facilitate a meeting between the individual claiming discrimination/retaliation and the individual accused of engaging in the misconduct to work out a mutual resolution.

While there are no set time limits within which an informal complaint must be resolved, the CO or designee will exercise his/her authority to attempt to resolve all informal complaints within fifteen (15) business days of receiving the informal complaint. Parties who are dissatisfied with the results of the informal complaint process may proceed to file a formal complaint. Parties may request that the informal process be terminated at any time to move to the formal complaint process.

Formal Complaint Procedures:

An individual who believes s/he has been subjected to unlawful discrimination/retaliation ("Complainant"), may file a formal complaint, either orally or in writing, with a principal, the CO, Superintendent, or other District-level employee.

Formal complaints should include the following information to the extent it is available: the identity of the individual believed to have engaged in; or be engaging in, the discriminatory/retaliatory conduct; a detailed description of the facts upon which the complaint is based; a list of potential witnesses; and the resolution sought by the Complainant. If the Complainant is unwilling or unable to provide a written statement, the CO shall interview the Complainant and prepare a written summary of the oral interview, and ask the Complainant to verify the accuracy of the reported charge by signing the document.

Within two (2) business days of receiving the complaint, the CO or designee will initiate a formal investigation to determine whether the Complainant has been subjected to unlawful discrimination/retaliation.

Simultaneously, the CO will inform the individual alleged to have engaged in the discriminatory/retaliatory conduct ("Respondent"), that a complaint has been received. The Respondent will be informed about the nature of the allegations and provided with a copy of any relevant policies and/or administrative guidelines, including Policy 1422 – Non-Discrimination. The Respondent must also be informed of the opportunity to submit a written response to the complaint within five (5) business days.

Although certain cases may require additional time, the CO or a designee will attempt to complete an investigation into the allegations of discrimination/retaliation within fifteen (15) business days of receiving the formal complaint. As part of the investigation, the CO will:

- A. interview the Complainant;
- B. interview the Respondent;
- C. interview any other witnesses who may reasonably be expected to have any information relevant to the allegations;

- D. consider any documentation or other information presented by the Complainant, Respondent, or any other witness that is reasonably believed to be relevant to the allegations.

At the conclusion of the investigation, the CO/designee shall prepare and deliver a written report to the Superintendent that summarizes the evidence gathered during the investigation and provides recommendations based on the evidence and the definition of unlawful discrimination/retaliation as provided in Board policy and State and Federal law as to whether the Complainant has been subjected to unlawful discrimination/retaliation.

Absent extenuating circumstances, within five (5) business days of receiving the report of the CO or the designee, the Superintendent will either issue a final decision regarding whether the charges have been substantiated or request further investigation. A copy of the Superintendent's final decision will be delivered to both the Complainant and the Respondent.

If the Superintendent requests additional investigation, the Superintendent must specify the additional information that is to be gathered, and such additional investigation must be completed within five (5) business days. At the conclusion of the additional investigation, the Superintendent must issue a final written decision as described above.

If the Superintendent determines the Complainant was subjected to unlawful discrimination/retaliation, s/he must identify what corrective action will be taken to stop, remedy, and prevent the recurrence of the discrimination/retaliation. The corrective action should be reasonable, timely, age-appropriate and effective, and tailored to the specific situation.

The decision of the Superintendent shall be final.

Prohibition Against Retaliation

The Board will not retaliate against, coerce, intimidate, threaten, or interfere with any individual because the person opposed any act or practice made unlawful by any Federal or State civil rights laws, or because that individual made a charge, testified, assisted, or participated in any manner in an investigation, proceeding, or hearing under those laws, or because that individual exercised, enjoyed, aided or encouraged any other person in the exercise or enjoyment of any right granted or protected by those laws.
