### Ohio State Testing - Grades 3, 4, and 5

Families, if your student is a 3rd, 4th or 5th grader, they will be taking the Ohio State Tests during the rest of April and the first of May. If possible, PLEASE make sure your student does not have any appointments scheduled during their testing dates/times. Also, please ensure your student has a good night's sleep and eats a good breakfast on the days of their testing. Testing is a stressful time for students, so any encouragement you can give your student to do their best, *take their time, do their best*.), double check their work, and, you guessed it, **DO THEIR BEST**, is much appreciated. We will also be encouraging all students in the same way at school!!
