Mr. Grube

I would like to thank GMHS Principal Jeff Altman, Asst Principal Casey Martin, Sports Supervisor Tommy Snyder and any and all district staff that helped with planning and preparation to make this year's Cruiser home football season a safer and more enjoyable event.

This was the most problem free and relaxed Cruiser football season I have worked in the past 15 years. The implementation of the Evolv system along with all other safety/security measures kept the problematic elements from attending the games and allowed for an enjoyable game experience for our community.

During the games Groveport officers and I worked directly with the school staff who were diligent in following the protocols they had implemented and worked tirelessly to make sure everything went smoothly and safely. During and after every game I had comments from game attendees and visiting officers about how well run the games were.

As a 24-year Groveport officer and a Cruiser graduate I personally appreciate everyone's effort and dedication to GMHS football games and our community.

Respectfully

Lt. Josh Short #L-1
