Harassment, intimidation and bullying are prohibited in school, on school property, on the way to and from school, and at school-sponsored events. As defined by state law, harassment, intimidation or bullying means any intentional written, verbal or physical act that a student has exhibited toward another particular student more than once and the behavior causes mental or physical harm and is sufficiently severe, persistent or pervasive that it creates and intimidating, threatening or abusive environment, without displaying a weapon and without subjecting the victim to actual physical attack.

Anyone who is a victim of bullying or becomes aware of bullying should notify the school office to make a report. The person making the report may request anonymity. All reported incidents will be documented and investigated, and the parents/guardians of all students involved will be notified.
