### **Artist of the Week**

**Olivia Ball**

Kindergarteners have been learning about shapes. We created a beautiful winter scene where we made houses while focusing on all the shapes we see. We practiced our cutting and gluing skills and finished with painting a snowy ground and snowflakes. Olivia Ball was selected by Mrs. Sperk for her creativity, hard work and perfect behavior in art class. Olivia is a kindergarten student in Mrs. Garn's class. Olivia has two older sisters, Sammie who is 14, Lexie who is 11 and a younger sister Peyton who is 4. Olivia likes to play outside, sculpt with playdoh and play with her Barbie's. Her favorite color is pink.

**Congratulations Olivia for being our first Artist of the Week!**

## **HAPPY VALENTINE'S DAY!**

Thank you so much to the room parents and parent volunteers for making the Valentine Parties a success. The kids had a great time! Please enjoy the pictures below.

## Hallway STAR Award

Our students have to hang their coats and bookbags in the hallway because of limited space in the classrooms. We noticed this to be untidy and unsafe as students were stepping over items that would drop to the floor, so we've started a clean hallway challenge. Mrs. Bray will walk the halls throughout the week to recognize the class that has the neatest hallway area and announce the winning class on Fridays. Mr. Miller our school custodian will present the award to the class each week.

**Congratulation to this week's winner = Mrs. Jahn's Class**
