A Message from the Principal

Hi Groveport Elementary Parents and Guardians,

We are hosting an informational and question/answer session through a google meet on Tuesday, October 13th at 7:00pm. This meeting is mainly for families who will be sending their child back to school 2 days a week, but Cruiser Digital Academy Families are welcome to attend if they have specific questions about the year long online program. Our goal is to share the things we have put in place to keep your child safe and healthy while at school, briefly discuss the hybrid expectations by grade level, and give you an opportunity to ask any last minute questions before our return on October 19th for (A Group) and October 21st (B Group).

Please join us on Tuesday, October 13th at 7:00pm for a virtual meeting on google (meet.google.com/twe-svun-ivc) as we partner together to make sure your child is prepared for their return to the school.

Focus on Learning

For parents who have chosen the Cruiser Digital Academy your child will continue to learn online for the rest of the year. The Live Meet times may change slightly starting the 2nd nine weeks. You will may receive a revised schedule from the teacher.

For parents who have chosen the Hybrid (2 day in person/3 days online) Schedule, we are all very excited to welcome your child back to school 2 days a week and want our focus to be on the students who are in the building, but we also know that the students who are at home need to be provided quality instruction and assignments as well. Please be flexible and patient with us as we work to teach/support students both online and in person. The learning online will look a little different than when we were 100% online depending on the grade. Here is what will be expected when your child is learning from home.

Kindergarten = Students join their google meet at 9:00 and participate in the Morning Meeting. After the meeting, students will work on reinforcing the skills they learned while in person. Students will be sent home with work, they will be assigned work through their google classroom, they will watch recorded lessons, and continue working on their computer assigned programs. There will be an optional check-in from 3:00 - 3:15 for students and parents to join a live meeting with the teacher to address any questions about assignments.

1st Grade = Students join their google meet at 9:00 and participate in the Morning Meeting. After the meeting, students will work on reinforcing the skills they learned while in person. Students will be sent home with work, they will be assigned work through their google classroom, they will watch recorded lessons, and continue working on their computer assigned programs. There will be an optional check-in at 12:00 for students and parents to join a live meeting with the teacher to address any questions about assignments.

2nd Grade = Students join their google meet at 9:00 and remain online until 10:05 so they can participate in the Morning Meeting, Interactive Read-Aloud and Phonics Lesson. Students will be assigned work through their google classroom, they will watch recorded lessons, and continue working on their computer assigned programs. There will be an optional check-in point from 3:10 - 3:20 or from 3:40 - 4:00 for students and parents to join a live meeting with the teacher to address any questions about assignments.

3rd Grade = Students join their google meet at 9:00 and participate in the Morning Meeting. After the meeting, students will work on reinforcing the skills they learned while in person. Students will be assigned work through their google classroom, they will watch recorded lessons, and continue working on their computer assigned programs. There will be an optional check-in at 3:00 for students to join a live meeting with the teacher to address any questions about assignments.

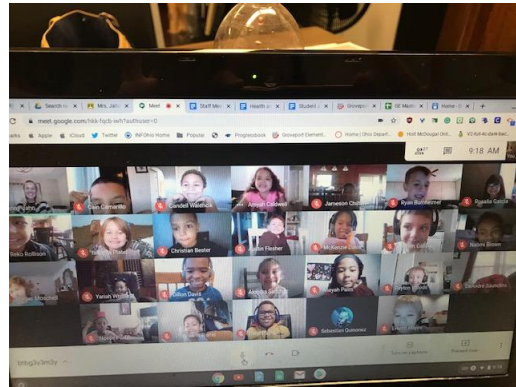

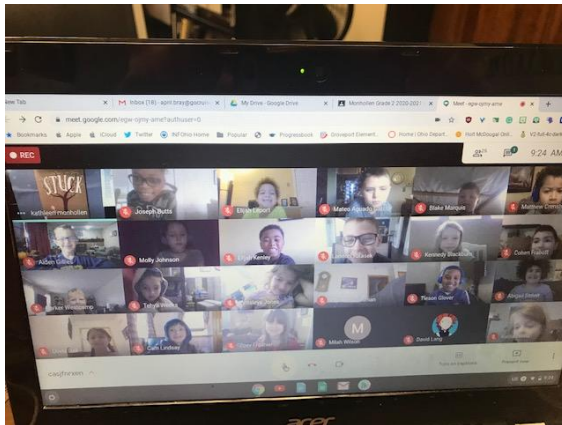

4th Grade = Students join their google meet at 9:00 and participate in the Morning Meeting. After the meeting, students will work on reinforcing the skills they learned while in person. Students will be assigned work through their google classroom, they will watch recorded lessons, and continue working on their computer assigned programs. Students will login again at 12:00 for the Interactive Read-Aloud and Mentor Sentence. There will be an optional check-in at 3:20 for students to join to wrap up the day and answer any questions.

5th Grade = Students join their google meet at 9:00 and remain online until 10:00 so they can participate in the Morning Meeting and receive instruction from their teacher. After that scheduled Live time students will be assigned work through their google classroom, they will watch recorded lessons, and continue working on their computer assigned programs. Students will login again at 12:35 - 1:10 for their afternoon class.

*As of right now, all students are required to bring their**CHARGED** chromebook to school.

*Students will attend Art, Music, or Gym each week. When they are in the building it will be with their special area teacher and when they are at home online it will be a recorded lesson, online program, or assignment in their google classroom.

Mrs. Stoevers , Mrs. Monhollen's, and Mrs. Jahn's class have been logging on and continuing to do their best to participate and take charge of their learning. I'm proud of all the students and teachers for the effort they are putting in every day!
