

# Greetings from Groveport Elementary

## A Message from the Principal

Another great week here at Groveport Elementary. Students are being very responsible with their chromebooks taking them back and forth from home and we have had very few repair incidents. We do everything we can to not charge families for repairs, but if your child does damage to a chromebook you may have to pay for the cost especially if the damage could have been prevented. If you do have equipment that needs repaired or replaced, please contact the DSC through email at [tech\\_dept@gocruisers.org](mailto:tech_dept@gocruisers.org) or if you would prefer to call 614.836.4789 our tech department will help you with repairs or trade-outs!

Thanks for all you are doing from home to support your child's learning.

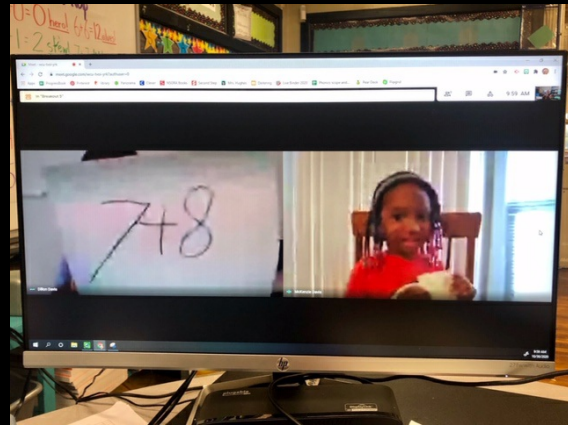

Have a great weekend!  
April :)

## Focus on Learning

### Success with Breakout Rooms

Mrs. Anderson's 3rd grade CDA students were polled during a Google Meet about their favorite story from Module 1. Students were then placed in "expert" groups based on their favorite. They worked in breakout rooms with a partner or small group to edit a shared document comparing and contrasting two books. Check out these Compare and Contrast Venn Diagrams.

Mrs. Jahn's 1st Grade CDA students are practicing doubles and doubles plus 1 facts in partner breakout rooms. Super engaging for the kids.
