

Principal's Message

Dear Groveport Elementary Families,

Welcome to the 2020-2021 school year. We believe all Cruisers are valuable. We will unconditionally **SERVE, SUPPORT,** and **INSPIRE**. Therefore, every Cruiser will maximize their unique **PURPOSE, POTENTIAL,** and **POWER** to produce the results they want. Our Vision is Every Student, Every Lesson, Every Day! Our mission and vision might be the only things that are not different this year. Even though there are still so many uncertainties we are committed to doing our very best to educate your child whether that be online, blended, or through a traditional model. Although we are all starting 100% online we do have to schedule for blending learning now so we are ready if we are permitted to return to school. Students with the last name A-J will attend on Monday and Tuesdays and students with the last name K-Z will attend Thursdays and Fridays. If that is not going to work for your family please call the school as soon as possible to request a switch.

Teachers have been in all kinds of training this week and will continue learning and planning next week to get ready for their students. All students will begin this school year online starting September 8th and we couldn't be more excited! Students will be expected to login each day, just as they would report to school each day. Your child's teacher will be sharing more information through their Back to School Video which will be available on our website August. 31st.

If you aren't finding the information you need on our Facebook, through our newsletters and emails, or on our website, please call the school. I don't want parents worried or confused about anything that is happening here at the school. Thank you for your patience and flexibility as we begin this unprecedented year together.

Grateful to serve our community!

April :)

April Bray

Friday, September 4th

Open Time for any grade: 9:00-11:30 am

Additional Details on Chromebook Pickup Grades 1-5

- Super important to come during your assigned time so you can meet your child's teacher.
 - If you cannot come during the assigned grade level time, you may come during any of the pick up times, but your student's teacher may not be available.
- ALL STUDENTS, INCLUDING CRUISER DIGITAL ACADEMY STUDENTS, should follow the schedule above.
- All families must stay in their car.
- Drive through the front loop. A staff member will greet you.
- Families with students in multiple grade levels may pick one time to pick up all chromebooks.
- Along with chromebooks, your student will receive a Welcome Bag with resources and supplies to they will need. We are trying our best to supply students with what they will need, but we may have to have a 2nd pick up of curriculum materials at a later date depending on how long we will be online. Also, teachers might ask for minimal supplies but at this point there is no supply list. When we return to school we might need supplies then and will communicate that to you. at that time.
- You will NOT be allowed to take home a chromebook unless you have completed **Final Forms**.

If you have a new kindergarten student you should have received a welcome letter with your scheduled appointment date and time. Please arrive on time and park in the back parking lot by the modules. You and your child will both need to wear a mask and we will greet you at the back entrance. Once we have signed your child in for the assessments, you will receive the chromebook and supplies and then you can wait in the parking lot until the assessment is over. The assessment will last about an hour and half. If you have any questions or will not be able to attend your schedule time, please give us a call at school. It is going to be a great year!

Happy Birthday

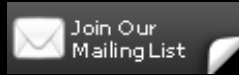

Ava Quinonez, Landon Grossman, John Monroe,
Dylan Clinger, Jalen Blair, and Zachery Larson!

Grab and Go Lunch

Our school district will be serving Grab and Go breakfast and lunch again this school year. More information about days and times and lunch menus will be

coming soon.
