

## Principal's Message

Dear Groveport Elementary Families,

A huge thank you to our families for making sure they picked up the chromebooks and materials and completed their Final Forms. Currently we have 92% of students who have all of their forms completed. Also, thank you to staff and students for making this a great 1st week. Next week will be even better as we fix some of the issues we had these 1st couple of days. I just want to make sure parents know that attendance is taken every day. Students will be marked absent if they do not login and make progress on their daily assignments. If your child is unable to participate or complete any assignments, please call our office to report the absence because the truancy rules are still in effect.

I also wanted to let parents know that the hybrid/blended start date that was tentatively set for September 21st has been moved to the end of the 1st nine weeks which is October 14th. There is no school on the 15th and 16th, so the plan right now is to start back on a blended model October 19th which is the 1st day of the 2nd nine weeks. This will be the start date as long as there aren't any huge spikes in cases.

I appreciate all the flexibility, patience, and kindness families have shown all of us as we work through this untraditional school year. Please let us know if you have any questions and we will do our best to find answers.

Thanks,  
April :)

April Bray  
Principal
