

Principal's Message

Principal Art Pick

Each year I choose an art project as the Principal's Pick. This year my pick goes to Tessa Hilligas - Congratulations! Tessa's artwork will be framed and will be displayed in the school office for all to see for years to come! Thank you Mrs. Sperk for always having so many amazing projects to choose from and for uploading all of the student work on Artsonia!

*We had so many activities going on this last week of school, I will be doing an additional newsletter next week.

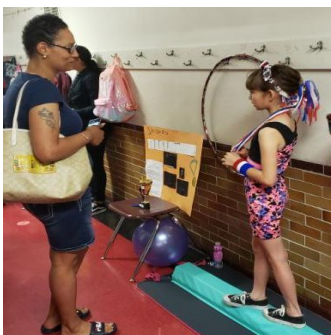

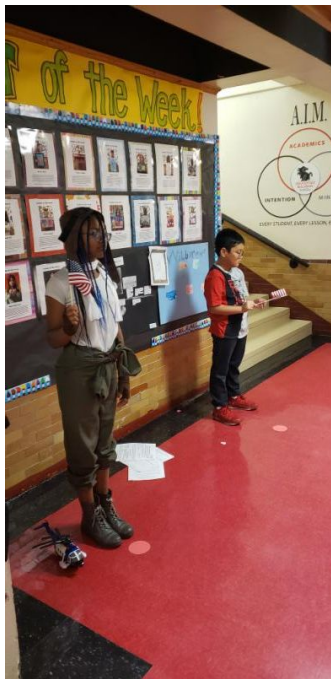

Have a Wonderful Summer!!!

Focus on Learning

Living Wax Museum

This last nine weeks 4th grade has been working on researching famous Ohioans to present in a "living" wax museum for the school and their families. Some famous Ohioans included in the research were, astronauts, sports heros, inventors, presidents, war heros, and music,television and film personalities. Students also created a timeline as well as a poster along with their written report about their Ohioan. They had a great time with this project and their "live" performances

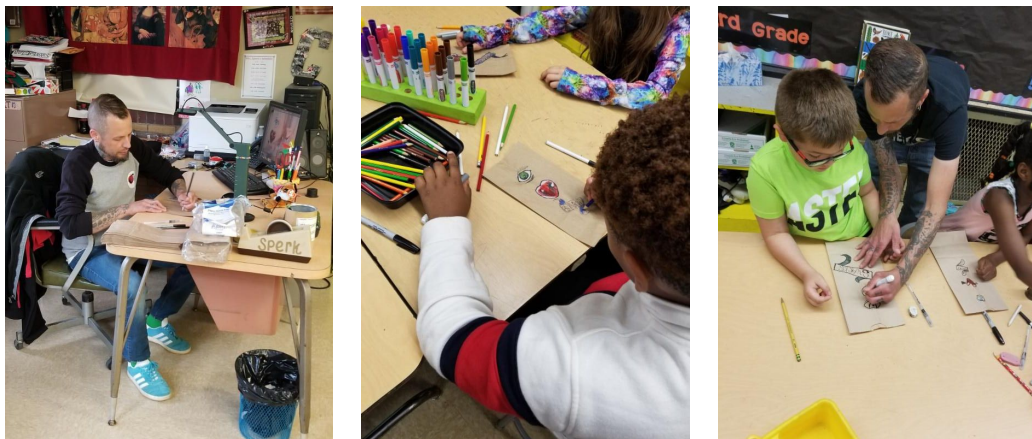

were spot on!!! Fabulous work 4th graders!!

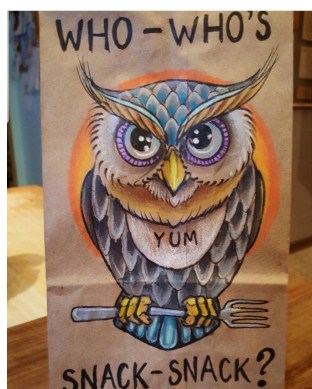

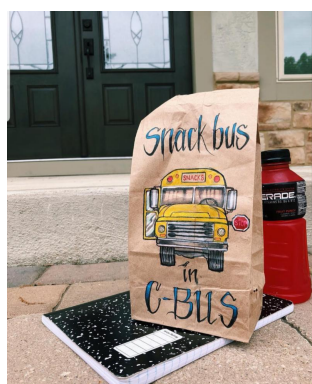

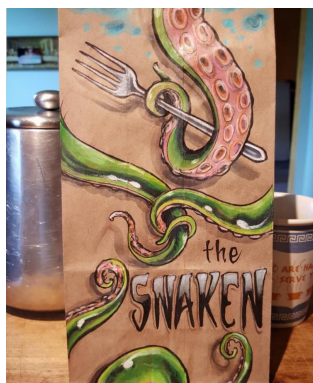

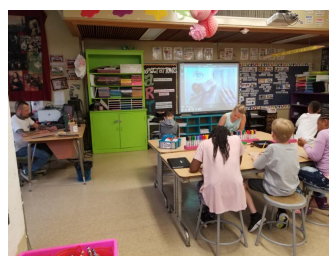

Thank you - Mr. Stelle

Last week we had the honor of having artist, Jeff Stelle, visit all third, fourth and fifth graders during art class. Jeff is the dad of Edwin Stelle (third grade) and he has been drawing on Edwin's snack bags since kindergarten. He does an amazing creation every night for his son in hopes that it brings a smile to his face the next day. He has also made murals, paintings and he is a tattoo artist. The students saw his work, heard his story and then he taught them how to make a snack bag. Mr. Stelle has been featured in local magazines and was recently in Columbus Monthly. Several of his snack bags are also on display in Gahanna at Mug N' Brush. Thank you Mr. Stelle for sharing your art with us!
