

Dear Parents,

Columbus Metropolitan Library (CML) has reached out to us to provide library cards to all of our students at Dunloe Elementary! They have a special low-risk card for students 17 and under called a Kids Card. With a Kids Card students:

- can check out or reserve five books at a time
- do not have to worry about overdue fines as there aren't any
- can use any of CML's Homework Help Centers
- can access CML computers and research tools through [columbuslibrary.org](http://columbuslibrary.org)
- can participate in Reading Buddies
- can sign up for Summer Reading Club

If you received a card today your pin number is **1234**.

If you did not receive a card from the library you may already have an active card.

If you do not have an active card or additional family members are interested in a card please use the flyer below and turn it into Columbus Metropolitan Library.

For a list of hours and locations go to: <http://www.columbuslibrary.org/locations>

This opportunity is a great way to keep students engaged in reading year round!

Thank you to Columbus Metropolitan Library for their support!

With a Kids Card kids and teens can:

- Check out or reserve five books at a time
- Not worry about overdue fines – there are no fines for the Kids Card
- Use any of CML's Homework Help Centers
- Participate in Reading Buddies
- Use CML computers and research tools through [columbuslibrary.org](http://columbuslibrary.org)
