Focus on Learning

The fourth and fifth grade students attended an Eastland and Fairfield Career Center fair today in the school auditorium where they rotated among 6 stations to learn about 6 of 30 programs offered. The programs involved were welding, animal management, criminal justice, landscape design and management, pharmacy tech, and pre-engineering. The junior and senior students represented their program with hands on activities for the students to explore showing how they learn to care for animals, count medications, welding sculptures created, hand-cuffs, 4-D printer and working with dirt. These programs are offered as a partnership with Groveport Madison Schools when students enter their second half of high school. The focus was to create awareness of another option that students may consider when choosing career paths.

Students completed an interest survey and then viewed their results which showed them some careers that aligned to their interests. Some students were surprised to see some careers that matched their interests.

Lexia Contest Winner!!!!

Congratulations to the first and second graders in Mrs. Pence's Reading classes! Out of 8,880 classes that competed in the national Lexia Learning usage contest, and the 1,274 classes that met 100% usage, only 14 classes won...including HERS! That's fantastic! Students who met 100% usage for 4 of the 5 weeks will be rewarded for their hard work with a Dominoes Pizza Party!

Pennies for Patients

Thank you to Student Council and to all the people who donated to Pennies for Patients. We collected a total of \$2548.19 beating our goal of \$2020. Thank you all for helping this fundraiser be a success!!

#2 Mrs. Downing's class = \$279.23
#4 Ms. Townsend's class = \$189.11

Congratulation to Cam Lindsay for winning the raffle!

Important Levy and Bond Information

Groveport Madison Schools has a combination operating levy and bond issue on the May 7, 2019 ballot. The operating levy portion of the measure simply replaces the 2014 levy that expires at the end of 2019 - it is not a tax increase. The bond issue will replace the District's aging, deteriorating, and severely overcrowded elementary and middle schools by constructing three K-6 buildings and one 7-8 building. The new schools will create a much-improved academic environment for students and staff, provide the needed space to accommodate an array of events and activities, and include the latest in safety and security measures.

The total cost of the combined issue is less than fifty cents a day (based on a \$100,000 home value), and the State of Ohio will contribute 53% (\$65 million) in matching funds to build the new schools.

If you aren't already registered to vote, you can do so online at myohiovote.com or we have copies of voter registration forms in our school's office. We also have chromebooks in the office you can use to quickly register by the registration deadline of Monday, April 8th.

It doesn't matter if you are a property owner or a renter. You can vote in Ohio if . . .

- ☐ You are a citizen of the United States.
- ☐ You will be at least 18 years old on or before the day of the general election.
- ☐ You will be a resident of Ohio for at least 30 days immediately before the election in which you want to vote.
- ☐ You are not incarcerated (in jail or in prison) for a felony conviction.
- ☐ You have not been declared incompetent for voting purposes by a probate court.
- ☐ You have not been permanently disenfranchised for violations of election laws.

More information regarding the combined operating levy and bond issue (Issue 5) can be found on the District's website, at www.gocruisers.org/Issue5, or feel free to call or stop in to ask me about it. I will make sure you have all of the facts necessary to make an informed decision on May 7.

Hallway STAR Award

Our students have to hang their coats and bookbags in the hallway because of limited space in the classrooms. We noticed this to be untidy and unsafe as students were stepping over items that would drop to the floor, so we've started a clean hallway challenge. Mrs. Bray will walk the halls throughout the week to recognize the class that has the neatest hallway area and announce the winning class on Fridays. Mr. Miller our school custodian will present the award to the class each week.

Congratulation to the winner this week = Mrs. McGonigal
