### Focus on Learning

Students in Ms. Townsend's and Mrs. Jordan's class were working on speaking and listening skills, in a very unique way, this week. The students have been listening to the podcast "But Why?" This is a podcast where students ask questions and the podcast goes to answer it. Such as, "Why do cats purr?" Then, they have to pick out the key details of the podcast and form an opinion after listening to the podcast. Did you know that a cat's facial features resemble a human's face? Students were also asked to share out their ideas with a partner to practice listening and speaking with another person!

Every student was engaged and super excited when their predictions were correct!

## Hallway STAR Award

Our students have to hang their coats and bookbags in the hallway because of limited space in the classrooms. We noticed this to be untidy and unsafe as students were stepping over items that would drop to the floor, so we've started a clean hallway challenge. Mrs. Bray will walk the halls throughout the week to recognize the class that has the neatest hallway area and announce the winning class on Fridays. Mr. Miller our school custodian will present the award to the class each week.

**Congratulation to the winner this week = Mr. Yurasek's Class**
