

GREETINGS FROM GROVEPORT ELEMENTARY

===== SEPTEMBER 3, 2021 NEWSLETTER =====

PRINCIPAL'S MESSAGE

Dear Groveport Elementary Families,

As we finish up our 3rd week of school, I'm so grateful that our kids are attending school in person 5 days a week. The students are getting to play outside without masks and work together with classmates, but unfortunately Covid is not gone :(We have to continue to do everything we can to keep the kids healthy and at school. Our kids need to be here learning not only academics, but how to appropriately interact with adults and other students and how to deal with emotions and conflict. Wearing masks is one of the main ways the Health Department says kids will be able to stay in school. Please remind your child how important it is to wear their mask over their nose and mouth. Please also send your child with a mask or maybe 2 each day.

I also wanted to make parents aware of the safety tip line that is available on our website <https://www.gocruisers.org/SafetySecurity.aspx> The Ohio Department of Education and the Ohio Department of Public Safety sponsors the SaferOH tip line that will accept both calls and texts 24 hours a day. This tip line allows students and adults to anonymously share information with school officials and law enforcement about threats to student safety—whether that involves a threatened mass incident or harm to a single student. I strongly encourage families to use this resource rather than posting things on social media hoping the right person will see it and be able to help. The tip line is the way to go.

These continue to be extra stressful times, and we appreciate all the support from our families - THANK YOU!!
