

Principal's Message

McTeacher Night was a Huge Success!!

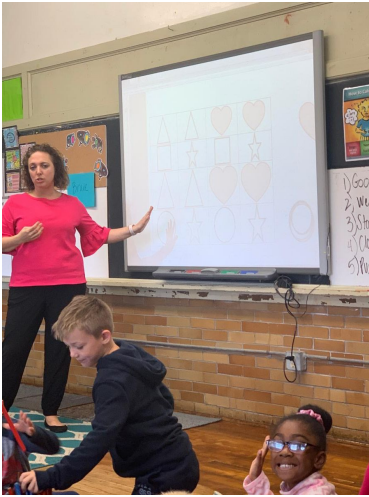

Thank you to PTO for organizing this fundraiser and thank you to all the parents who came to eat dinner and support our schools. Not sure how much money we made yet, but it was fun. McDonald's gives us 20% of all sales even drive thru from 5:00 - 7:00. We are lovin' it - thank you McDonalds. Here are some pictures to enjoy!

Focus on Learning

Students in first grade are working on the Fine Arts Music Standard 6PR. This standard challenges students to play a variety of classroom instruments, alone and with others, and demonstrate the proper technique. During this lesson, first graders practiced playing classroom instruments by accompanying Mrs. Brunner while she read *There Was An Old Lady Who Wasn't Afraid of Anything* by Linda D. Williams. Different instruments represented different parts of the story and students were listening in to add "sound effects" correlated to different sounds in the story. After that, students then had the chance to create their own instrumental arrangements on the board that the class played along with!

Mrs. Cordell's fifth grade class was paired with Mrs. Downing and Mrs. Scott's afternoon preschoolers for Buddy classes this year. After everyone was introduced to each other, the buddies worked together to decorate a "friend" cut out. The two paper "friends" were connected by their hands that made a heart. We have a wonderful display of all the paper friends hanging in the hallway. Both the fifth graders and preschoolers had a fantastic time and some amazing conversations were overheard. Students have gotten together a couple times now and both the 5th graders and preschoolers are always asking when for another Buddy activity!

Halloween Parade / Parties Parade will start at 2:15 / students start lining up at 2:00. Class parties will begin directly after the parade.
