

## Principal's Message

### THANK YOU VOTERS!!

It is such a relief that our levy passed and I am truly grateful to work in a community that supports our schools and values the education we are providing to the students. Thank you to all the parents and teachers who helped get the word out and worked on the campaign and a huge thank you our voters! Trust that we will continue to focus all of our efforts on Every Student, Every Lesson, Every Day!

### Focus on Learning

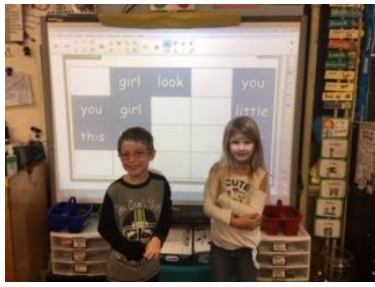

Mrs. Brunner's music classes are doing truly amazing things every day. They are working on identifying pitches on the music staff. Students were at the student interactive part of our Quaver Music Curriculum called "Staff Champion" and they got a high score. Today's goal was to score 11 or more. Here are the names of the kids who got a high score on the Bravo Board!

### Games Galore - 1st Nine Weeks Reward

Congratulations to the students who earned the 1st nine weeks reward for meeting 2 out of 3 of the

AIM goals - Academics (Honor Roll), Intention (0 unexcused absences) and Mindset (Cruiser STAR behavior)

Students love the game time so much that will also be the reward for 2nd nine weeks. Just a reminder Attendance and Behavior expectations are the same every nine weeks - 0 unexcused absences and Cruiser STAR behavior each day; however the Academic goal for 2nd nine weeks is to meet one of the MAP Growth Targets. Students only need to earn 2 out of the 3 to get the reward!

### Halloween Parade and Party Pictures

The weather got us again this year, but we still had a fun time parading around on the stage and through our auditorium! Enjoy the cute pictures of our kids having fun at school.
