

# ***Greetings from Groveport Elementary***

January 15, 2021 Newsletter

## **Principal's Message**

Dear Groveport Elementary Families,

I'm sure you received notification from the district, but I just wanted to make sure everyone is aware we will be returning to our Blended Learning Model on January 25th. As you may recall, in the Blended Learning Model (also referred to as a "hybrid" learning model), about half of the students per classroom will attend school in-person two days per week and receive online instruction at home the other three days. I also wanted to remind parents that your child will not have google meets Art, Music, or PE when we are back to Blended. Students will attend those classes in person when they are here at school and then they will have an assignment posted on their google classroom to complete during their at home days. Please make sure to check your email and follow the schedule from your child's teacher as we transition back to Blended Learning. Remember teachers will be instructing students here at school and won't be available as much online.

There will be no changes for Cruiser Digital Academy students as they will continue with online instruction for the rest of the school year.

We have all the safety procedures in place and we look forward to having your child back at school. If you have any questions, please email or call the school. We are here to serve!

Thank you,  
April :)

## **Focus On Learning**

## **Math Rock Stars**

We are super proud of these students! They always have their supplies ready, they participate in every math task, and their work is neat. They have really done a great job in Math - Keep it up!!

## Student Council "Cram the Cruiser" Food Drive Huge Success

Thank you to Student Council, Mrs. Escue, Mrs. McGonigal, and all the families who donated food to our food drive. We were shocked at how much food we received even though we weren't at school. All the food was taken to the Groveport Food Pantry. A special thank you to Groveport Police Department for always being available to support us and to Jessica Wyke from the City of Groveport for helping us advertise the event.

## My Child Needs Help With Reading and their School Work

Please check out this 2 minute video from the Columbus Metropolitan Library explaining the help available and how to access it. We need to take advantage of all the help we can get for our kids and this is FREE!!!
