

Principal's Message

Thank You to Sue and John Hougland

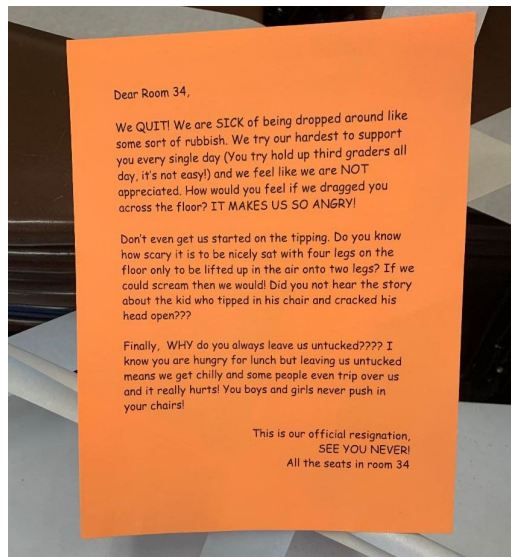

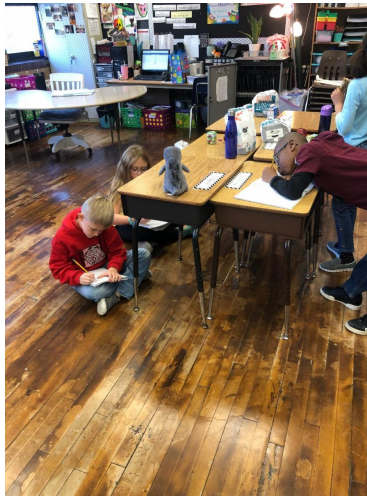

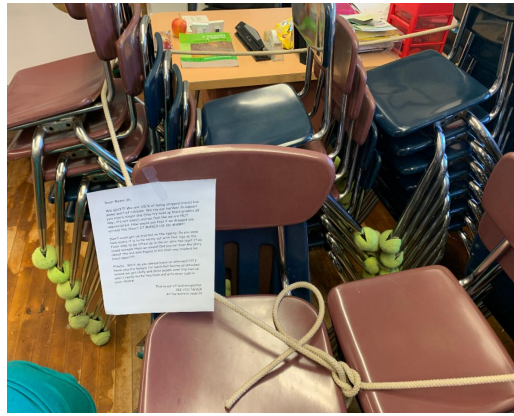

Sue Hougland just recently published her book *Jenny's Adventure* and she was kind enough to donate 4 copies to our library. One of the illustrations in her book is from our playground. Some of our Kindergarten students were in the library and were very excited to meet an author and get their picture taken with her. Your book will be enjoyed - thank you!

Focus on Learning

Third grade's chairs have resigned!!! They're tired of being treated poorly! Our third graders had to do their best convincing with some persuasive writing to get them to come back! The third graders have been working on writing standard 3.W.1 en route to this fun way to start their day. The students spent the morning crafting, editing and publishing their pieces to convince the chairs to come back after lunch and recess for their math assessments. Thankfully, it worked! We love

authentic learning and engagement! Nice work, third grade!

I would say our Food Drive was a huge success! Our students brought in over 2396 food items which were donated to the Groveport Food Bank. We are so proud of the Student Council for their work on this project and for all the students who brought in items.

Mr. Eft's 3rd grade class brought in the most items - 620!!
 Congratulations - you guys rock!

Photo from the Past (1946-47) - Thank you Mr. Palsgrove!

Here is the Groveport Madison High School Marching Band of 1946-47 posing in their brand new uniforms behind Groveport School on Main Street when it was the high school. The band that school year performed at all the home football games, the Columbus Christmas parade, their spring band concert, at the Groveport Memorial Day ceremony, and at a baseball game at Red

Bird Stadium in Columbus. The Groveport Madison Marching Band was first formed in 1934 by Herbert German. (Photo courtesy of the Groveport Heritage Museum.) [Interesting side fact about the photo: Mr. Palsgrove's mom is one of the majorettes and his dad is the bass drum player!](#)

Over 40 students were able to see the Mobile Dentist Monday and Tuesday!
