

## Principal's Message

Dear Parents,

Gov. DeWine announced a three-week spring break (it is not a vacation) no school Monday, March 16 - April 3rd. Please check your child's folder for a letter with information you will need for the next 3 weeks. Your child's teacher will start taking attendance online starting next Wednesday. All students who were in attendance today will be sent home with a chromebook (unless parents requested not to use a school computer), charger, and class books to complete work at home. If your child was absent today, you can pick up your child's materials in the office starting Monday at 9:00.

Thank you for your patience and understanding as we work to make the best decisions to keep everyone safe.

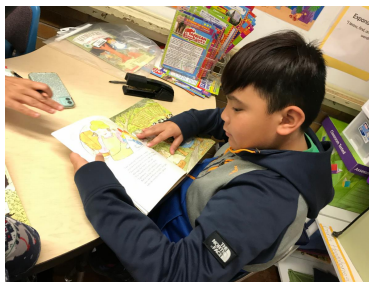

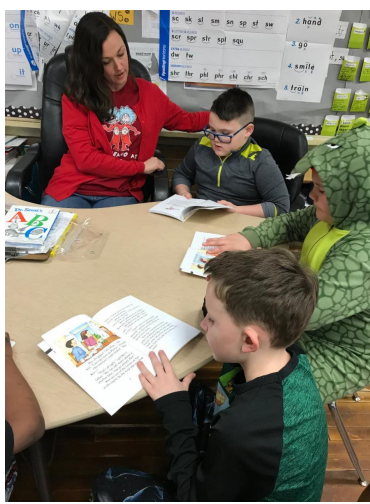

April Bray  
Principal

### Focus on Learning

Guided Reading is part of our Balanced Literacy Block every day! Students in all grade levels receive differentiated instruction to support their reading accuracy, fluency and comprehension during guided reading time. During our recent Waiver Day teachers reflected on their guided reading practice, dived into Jan Richardson's book *The Next Step Forward in Guided Reading*, and adjusted their instructional practice to align to new insight gained during their professional development time together. Ask your students what reading strategies are they using during guided reading.
