

Principal's Message

Dear Groveport Elementary Families,

I hope you and your family are safe and healthy. I am extremely appreciative of our students, parents, teachers, and staff for their positivity, flexibility and resilience during these trying times. As you know, distance learning started back up on Monday. Before Spring Break on average about 85% of the students were logging in every day, but we have noticed this has dropped a little since we have returned to 77%. Our goal is to provide continuous educational opportunities and practice for students while school buildings are closed. Teachers are working very hard to continue to educate your child so they don't fall behind, but we also understand that sometimes it is just too much and we want to compassionately take into consideration the variety of difficulties that our families and employees are enduring during this time. We have a responsibility to make sure the students are safe and if your child doesn't login for a couple days and there is no response to our communication we get worried. Please help us out by having your child login every day to complete even one assignment. If this isn't possible or your child needs additional help just let us know. There are only a few weeks left of school, so let's make the most of it!

In case you missed it here is our Welcome Back from Spring Break video - enjoy!

I also wanted to congratulate Mrs. Jahn on being Staff Member of the Month. She is amazing and we are lucky to have her!

Please pay special attention to the newsletter next Friday or make sure to check Facebook because we will be sharing important information about grading, report cards, and end of year logistics for returning chromebooks and collecting items that were left at school.

Serving you,

April Bray
Principal

Focus for Learning

[Congratulations to Mrs. Anderson's students who recently passed a level in Lexia:](#)

Jeremy Finigan, Austin Combs, Bracksden Bennett, Berkley Quinonez, and Landon Abad

[WOW!! These students earned units on Lexia last week during Spring Break!](#) Dayvion Coleman, David Lang, Dakota Rosiniski, Landon Abad, X'zavior Call, Cyncier Edwards, Olivia Hart, and Djeinaba Kane

Good job students! Thank you for your hard work!

Mrs. KC's students in a google hangout celebrating Earth Day and receiving instructions for their Earth Day Poster Project.

Check out these outstanding poster from our 1st graders - see more on Facebook!

By Molly Johnson

I love EARTH.

RECYCLE

Why Do We Recycle Plastic?

By Tieson Glover

Pastic is harmful because it is Non-Biodegradable when throw on land it makes the soil less fertile. When thrown in water it chokes our ponds rivers and oceans and harms the sea life.

We all can help by doing our parts in recycling.

Here is a 4 minute video on recycling. Click on link below.

<https://youtu.be/BaFpv03hq-4>

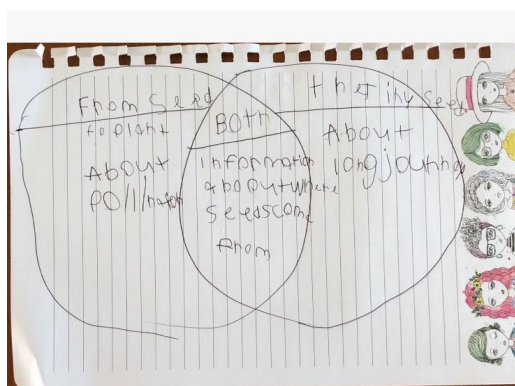

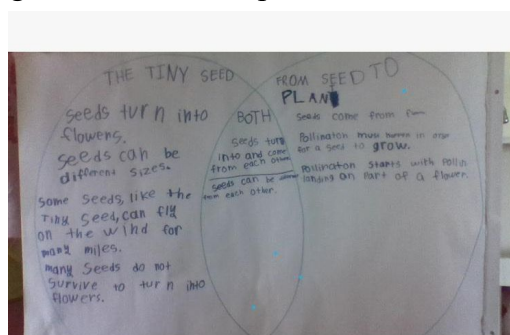

Kindergarten students sharing their journals on google hangout and taking pictures and sharing those with their teachers. Students tell favorite character and tell why. Check out our Facebook page for two super sweet videos from Mrs. Garn and Mrs. Chandler.

First day back from Spring Break google hangout with Mrs. Monhollen's class. Look at all those smiling faces - super excited to be back engaging with their teacher and classmates!

This week, Mrs. Stoever's students made flower diagrams, planted seeds, and created Venn diagrams comparing two stories about seed growth. We are so proud of these kiddos!

Happy Birthday

Eniaja Muse, Cecily Owens, Harper Moschell,
Kalli Joneikis, Kingston Lawson, Journee Cooper,
Taylor Thomas-Washburn, Colten Watkins, and Jackson Smith
