

Principal's Message

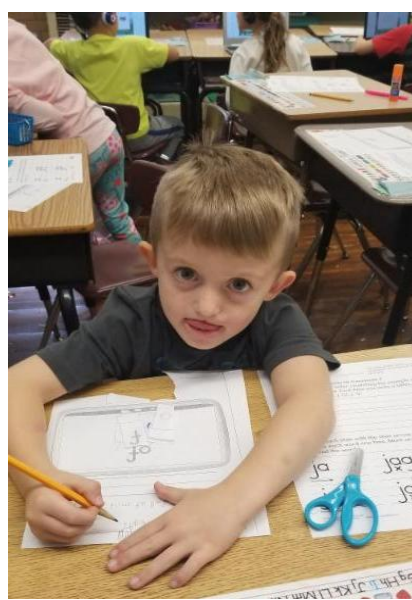

HAPPY THANKSGIVING

We have school next Monday, Tuesday, and Wednesday (45 minute early dismissal) and then we will be off for Thanksgiving. On behalf of the Groveport Elementary Staff, I would like to wish everyone a Happy Thanksgiving. It is our hope that you enjoy time with friends and family during the holiday and have a safe, happy, healthy Thanksgiving!

Focus on Learning

Kindergarten students in Mrs. Chandler's class are making huge strides this week! Students were working in small groups or independently to complete different center work. Some students were completing a Reading Horizon lesson, others were practicing word work with the letter J and spelling the word "of," while others were working with Mrs. Chandler for a guided reading lesson. Those students were doing an excellent job of sounding out words, looking at pictures to help identify unknown words and looking at the punctuation mark to know which expression to use while reading. Keep up the fantastic work!!

Artist of the Week

Hannah Bauerle

Fourth graders have been learning about the artist, Henri Matisse. He is well known for his cut paper collages. During this unit, we learned about organic shapes and positive and negative space. Students started with one color for their first project and then to make it more challenging we made a second collage using two colors. Hannah Bauerle was selected by Mrs. Sperk for her creativity and excellent craftsmanship. She created interesting organic shapes and flipped them perfectly. Hannah is a 4th grade student in Mrs. McGonigal's class. She has been attending Groveport Elementary since second grade. She has an older brother, Steven, who is in sixth grade. Hannah loves drawing in her spare time. She mostly draws animals, especially cats and dogs. She also likes reading and playing soccer. Her favorite color is green.

Programs offered by Town Hall - Register the kids for some free fun :)))
