

## Principal's Message

### **Interim Reports Go Home Today!**

Interim Reports were sent home with students today in grades 1 -5. Please check your child's progress, sign and return the white envelope. Along with the Interim Report, you should have received a parent access code to Progressbook. We are really trying to have parents get in the habit of checking Progressbook, so if you can try to register. If you have any questions about your child's progress thus far this nine weeks, please contact his/her teacher.

## **Panorama Student Survey**

Our staff and students(3rd - 5th grade)took a survey on Late Start which addresses school culture and climate. The intention of the survey is to gauge areas of strengths and weaknesses in our school and work to improve academics and behavior. We look forward to the feedback we receive from the students and will use that information to improve our school.

## **Artist of the Week**

**Rebecca Snyder**

All of the students have been working on their wild and wacky self-portrait inspired by the book *It's Okay to Be Different* by Todd Parr. Throughout this project we discussed how it's okay to be different in several ways. The fourth graders had to start by painting their background paper the three secondary colors and they had to use the primary colors to make them. Rebecca Snyder was selected by Mrs. Sperr for her creativity. She did a great job showing space by overlapping her hair. Rebecca is a 4th grade student in Mr. Yurasek's class. She has been attending Groveport Elementary since kindergarten. She has a younger sister, Lucy who is in first grade. Rebecca enjoys painting, dancing and baking.

**Congratulations Rebecca for being our Artist of the Week!**

## Cruiser Kick-Off / Back to School Night

We tried something a little different this year and we think it went really well. I received a lot of positive feedback from parents and students. The kids really took ownership of the night and enjoyed showing their parents around the building and explaining what they are learning here at school. Enjoy some pictures from the night.
