Dear Parent/Guardian:

You have the right to know about the teaching qualifications of your child's classroom teacher in a school receiving Title I funds. The federal Every Student Succeeds Act (ESSA) requires that any school district receiving Title I funds must notify parents of each student attending any school receiving Title I funds that they may request, and the district will provide the parents on request (and in a timely manner), information regarding the professional qualifications of the student's classroom teachers, including at a minimum, the following:

These qualifications include:

1. Whether the teacher has met State qualification and licensing criteria for the grade level and subject areas in which the teacher provides instruction;
2. Whether the teacher is teaching under emergency or other provisional status through which State qualification or licensing criteria have been waived;
3. Whether the teacher is teaching in the field of discipline of the certification of the teacher;
4. Whether your child is provided services by instructional paraprofessionals and, if so, their qualifications.

If you would like to request teacher qualifications, please contact the Groveport Administrative Office at the address or fax number at the top of this page. Be sure to include the following information with your request.

Child's full name
Parent/guardian full name
Street Address, City, state, ZIP
Teacher's name

Sincerely,

Jamie Grube
Superintendent, Groveport Madison Local Schools
