AND INFORMATION

2/13/25

ANNOUNCEMENTS

As Ohio weather continues to be unpredictable please make sure your students come to school properly dressed. When students are outside their coats must be on their body in some fashion (zipped, unzipped, or around their waist). In the lower grades (K-3) we will ensure students have a coat on before exiting outside. However, in the upper graders students have a responsibility to wear their coat. Lastly, when inside the building coats, hats, and any type of headwear (except for religious reasons) should not be worn.

LEARNING

Kindergarten: Beginning sounds and

tricky words, adding numbers, pilgrims

1st: Double letters, habitats, comparing numbers

2nd: Adding and subtracting 10-100, insects, Civil War, perseverance

3rd: MAP testing, fractions and astronomy

4th: Adding and subtracting fractions, inventors, ecosystems

5th: Reformation, multi-digit math

Special Ed.: Routines and behaviors

Building: Black History Month

FOCUS

Let's continue to work together to ensure our students safe, warm, and are focused on the learning! As we continue to move forward from PT conferences and data discussions with students, we will put an extra emphasis on giving feedback on student writing and being KIND.

Asbury Elementary

NEXT WEEK

- **Student Leader Breakfast-** Friday, February 21st at 8:20am in the gymnasium
- **Black History Month Door Decorating Contest-** Students throughout the building have been decorating their classroom doors celebrating and highlighting an individual they selected as a class. Next Friday doors will be completed and students and parents will get a chance to vote on their favorite doors! Be on the lookout for a Google form being sent out to you to vote on your favorite Asbury door celebrating Black History Month!
