### ANNOUNCEMENTS

As we prepare for testing, engage in a number of schoolwide activities, and gear up towards the end of the school year, here are some friendly reminders:

- Our doors open at 8:55am for students who want breakfast. Please do not leave your students unattended prior to this time.

- Please make sure students are getting a good night's rest and a well balanced diet. If students are packing their lunch they should not bring in candy and/or glassware.
- Continue to encourage your student to come to school every day to learn, to be kind, respectful, and responsible.

### FOCUS

As we have stated in previous segments of Asbury's "Thursday Thoughts," our building has been working effortlessly on analyzing student data to drive our instructional decisions. After much review, it is evident that students K-5 are making great strides and progress both in ELA and Math at Asbury and throughout the district. As we inch closer to Ohio State Testing, I am excited for our Asbury scholars to show Ohio what they know!
