## Principal's Message

Dear Groveport Elementary Families,

I hope you are enjoying a wonderful summer. I also hope you are relaxed, recharged and getting ready to start a new school year. It is a privilege to serve as principal of Groveport Elementary and I'm excited for this school year and I look forward to working with you and your children. In case you didn't see the communication about the 1st day of school - Only 1st Graders will attend August 16th. About 1/3 of our 1st graders were 100% online last year so they have never been in the building. Grades 2nd - 5th will be welcomed on Tuesday, August 17th. Kindergarten students have their own special schedule that you should have received in the mail. If you didn't get a letter, please call us 614.836.4975.

### Just a few reminders as you plan for the upcoming year:

- Open House / Supply Drop Off for 1st - 5th grade is **August 12th from 4:30 - 6:00**. We will have the class lists posted that day. Come meet the teacher and drop off school supplies so the kids don't have to bring them on the 1st day!
- School Supply List Link

- Doors open at 8:40 and students are considered tardy after 9:00
- Breakfast and Lunch are FREE for any student - no income requirement
- Dismissal starts at 3:35
- No early dismissal on the 1st day of school - regular school day 8:40 - 3:40

We have a few new faces that are joining us this year. I'm excited about the expertise and skills they are bringing to Groveport Elementary and want to welcome them to our team.

- Ms. Mary Pirik - Kindergarten
- Ms. Courtnie Jude - 2nd Grade
- Ms. Madison Wolf - 5th Grade Math
- Mrs. Amanda Moeller - GAP Program

If you have any questions, please know I'm here to help and you can call or email me any time. I look forward to an exciting school year full of new learning!

## Back to School & Work Plan

I've attached the Return to School and Work Plan. It is correct as of today, as you know these things are constantly changing and I will send any updates as I receive them. Although we are strongly recommending masks at this time we are not requiring them; however, we ask parents to please notify your child's teacher if want your child in a mask while indoors. That will allow teachers to make lists and ensure that those students stay masked during the school day. We do not plan to have students wear masks during outdoor recess.
