OCTOBER 1ST, 2021 NEWSLETTER

BOOK FAIR NEXT WEEK MONDAY - FRIDAY!!

PRINCIPAL'S MESSAGE

Parent- Teacher Conferences are next Thursday, October 7th from 4:00 - 7:15 and the following Tuesday, October 12 from 4:00 - 7:15. If you haven't scheduled a time yet, it isn't too late, please contact your child's teacher. Conferences are an excellent time to meet one-on-one with your child's teacher, see your child's classroom, and discuss how your child is progressing. If you are unable to meet in person we understand and teachers are willing to also schedule a google meet conference. The purpose of Parent-Teacher Conferences is to share information and really focus on what is important: your child making academic and social emotional growth every day. We realize that 15 minutes isn't very long, but this is a great chance to check-in and start to build a partnership with your child's teacher if you haven't already. I have a few suggestions to help make the most out of the meeting.

1. Please do your best to be on time for the conferences.
2. Make a list of questions to ask during the conference and/or a list of anything you would like to share about your child.
3. Be prepared to hear both positive feedback and areas for improvement - just like you teachers want your child to succeed and we all have things that we need to work on.
4. Schedule a follow up time to talk - it could be by phone, email, google meet, or notes in the agenda book. Keep the partnership going throughout the year.
5. Talk to your child about what you learned at the conference. Let your child know that you and the teacher are working together to help them.

Thank you for your continued support!

WHOLE SCHOOL MURAL

Thank you to Mrs. Sperk and all the students and staff for each creating a cube to make the entire school mural. It really brightens up the catwalk. Last Friday, Mrs Sperk posted a video and picture on her class Instagram page of the cube mural. She tagged the artist, ThankYouX. Within about 30 minutes he reshared the video on his own page and commented on the picture. It is really cool that an LA based street artist acknowledged the artwork! The kids have been super excited!!! Proud to be a Cruiser :))
