PRINCIPAL'S MESSAGE

Dear Parents/Guardians,

We really need your help with sending your child to school with a mask. We are giving out close to 1000 disposable masks a week and our district is almost out. If you are sending them with a disposable mask, have them pack an extra for after lunch or if it breaks. Think of it as part of the dress code. If students don't have one and we are out here at the school we might need to call you to bring one. Hopefully, with everyone helping out we will be okay.

Thanks so much for your support!

April :)

GUEST READERS OR MYSTERY READERS WANTED!

It would be so cool if we could have a bunch of community members (parents, grandparents, aunts, uncles, older siblings, board members, business owners, anyone and everyone) read one of their favorite books to our kids. Our students love to be read to and it is an enjoyable experience to listen to others share their favorite stories. It is easier than ever to be a Guest Reader or super fun to be a Mystery Reader without even leaving your house.

Our tech coach, Rachel Owens, created this easy to follow video on how to record your read-aloud. If you don't want to use the stickers to be a Mystery Reader you can just introduce yourself and start reading.
