## **Principal's Message**

### **Cold Weather**

As the weather gets colder, please make sure your child dresses for the cold temperatures (i.e. hats, gloves, jackets/coats, scarves). Students will be going outside for recess unless the temperature falls below 25 degrees.

### **Lost and Found**

Please ask your child to check the lost and found because it is full - coats, jackets, shirts, shoes, hats, bags, etc. Any items not claimed by December 17th will be donated.

### **Buses**

It is difficult for all of us when the buses are late or canceled please try to be as kind and understanding as you can. Our kids are watching how we react when we are frustrated and mad about something that is out of our control. When we cuss and yell it doesn't get the bus to come any faster - I wish it did (lol)

### **Masks**

We understand that wearing a mask is really tough for some kids and we try to be as nice as we can about reminding kids to wear them and wear them properly, but when kids down right refuse or become disrespectful to adults about it parents will be called and students will have to go home for the day. Hopefully, after the new year we won't have to wear them or they will be recommended but not required. We aren't there yet. Thanks in advance for understanding :)

**BE KIND!! Do things for people not because of who they are or what they do in return, but because of who you are. – Harold S Kushner**
