**Mobile Dentist** = The mobile dentist will be here in our school library March 21st and March 22nd here is the link with more information [https://www.myschooldentist.com/GFGMOH\\_sch](https://www.myschooldentist.com/GFGMOH_sch)

**ZOO FIELD TRIP** = We are so excited that we will be able to go on our annual Columbus Zoo Field Trip this year! We haven't gotten to go for the past 2 years so we can't wait to create these memories with our younger students and new students who have never gotten to go with the school. It takes a lot of planning to make this happen and that is why we have to have very strict deadlines. One of those deadlines is **MARCH 16th** for permission slips to be returned. The only exception will be for students who enroll after March 16th. We also need a lot of chaperones to make it super fun and safe for the kids. Some classes already have enough chaperones and others don't have near enough, so if you have questions about chaperoning please contact your child's teacher.

**Handicapped Parking Spots** - It is against the law to park in a handicap spot if you don't have a sticker. That isn't a school rule and you could receive a ticket. The Groveport Police Department are going to start monitoring traffic and illegal parking more closely, so please follow the rules and law.

## Women's History Month

*Did You Know? Women's History Month started as Women's History Week . . .*

Every year, March is designated Women's History Month by presidential proclamation. It was officially created by congress in 1987, but its roots go much deeper, starting with suffragists

fighting for women to get the vote in the early 20th century.

The month is set aside to honor women's contributions in American history, reflect on the courage of women in past generations, and celebrate how their efforts and bravery afford women the opportunities and freedoms they have today.

**Here are some dates that are significant this month.**

**March 8th** = International Women's Day

**March 13th** = On this day in 1913, the Women's Suffrage Parade in Washington, D.C., took place, where more than 8,000 women gathered to demand a constitutional amendment guaranteeing their right to vote.

**March 22nd** - The Equal Rights Amendment was passed in the Senate on this day in 1972
