Principal's Message

Dear Groveport Elementary Families,

Our PTO has been an amazing support to our students and staff over the years and unfortunately if we don't have a few volunteers step up the PTO is going to be dissolved. This means our school would no longer have a PTO. It also means if we wanted to start a new one in future years we would have to start from square one. Instead of spending time planning activities for our students we would be spending time filling out paperwork, getting new accounts, and tax ID numbers, etc. Any parent or teacher could run for office and we could keep our PTO. If this is something you would be willing to consider, please email me(april.bray@gocruisers.org) before spring break so I can schedule a meeting with interested parents and teachers and we can figure out how to keep our PTO going strong!

Have a great weekend!

April :)
