Principal's Message

We have four school days to go until summer and tons of fun things planned for next week!!! We want all students to finish the year on a positive note, but I've heard that some students think if they fight on the last day they can't get in any trouble. That is not true, unfortunately if there is physical fight between students they will be suspended to start the next school year. Please talk to your child about making good choices this last week of school.

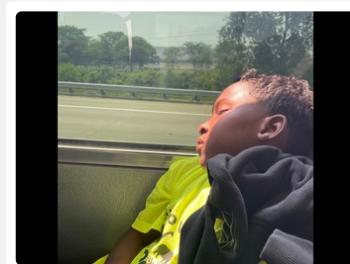

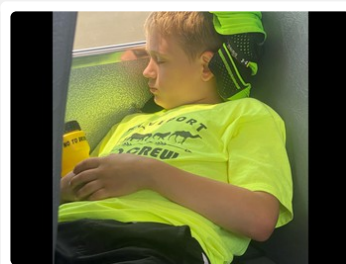

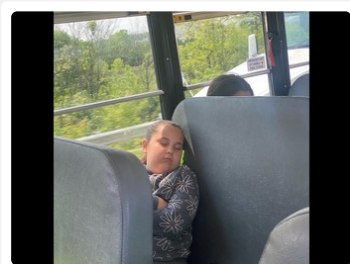

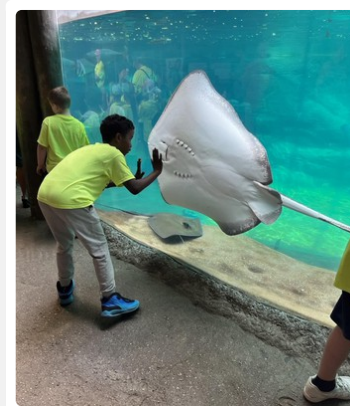

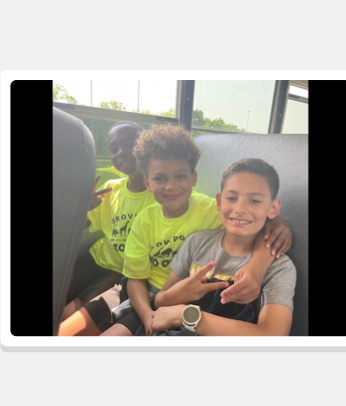

Our annual 5th Grade Clap Out will be at 3:30 on Thursday. We are excited to celebrate our 5th graders and we know they will do great things in middle school. Our 5th graders walk through all 3 floors one last time as students in grades K - 4 and former teachers clap for them. It was amazing how many parents came to the clap out last year. We aren't sure how many parents will be able to make it this year, but we decided to use a different route. Instead of students ending and exiting through the front doors they will walk across the catwalk to the middle school and exit from the cafeteria. Parents and family members are welcome to come, but please arrive 10 - 15 minutes early so we can have you line the catwalk and entrance to the middle school cafeteria.

2nd/3rd Grade Zoo Field Trip

The 2nd/3rd grade Zoo field trip was a success. We couldn't have asked for better weather and the kids wore themselves out. I overheard several kids saying, "This is the best school day ever!" Thank you to all parents who were able to come with us! Just click on this link to see tons more pictures - enjoy!

Champions Day!

The kids had the best time at Champion's Day (Field Day)! The watermelon tie-dye shirts were a big hit - thank you Mrs. Geisler, Ms. Gibbs, and Mrs. Waddell for making the shirts with the kids and taking them to the high school so they could have a fun filled day!
