MAY 20TH, 2022 NEWSLETTER

PRINCIPAL'S MESSAGE

Four school days to go until summer and tons of fun things planned for next week!!! We want all students to finish the year on a positive note, but I've heard that some students think if they fight on the last day they can't get in any trouble. That is not true, unfortunately if there is physical fight between students they will be suspended to start the next school year. Please talk to your child about making good choices this last week of school.

If you need to enroll your child or you know of someone who needs to enroll or who has moved, please contact our Welcome Center as soon as possible 614. 491.8288. It is very important to enroll early to ensure your child attends his/her home school. Our office will be open daily 9:00 - 2:00 through June, if you have any questions. You can also email me at april.bray@gocruisers.org.

There will be a couple changes next year that you need to know about now. All students will still receive free breakfast, but only students who complete a free/reduced lunch application and qualify will get free or reduced lunch. Also, our school start time will be a little bit later next year. We will not be opening the doors until 9:05 so make your child care arrangements now. Lastly, morning drop off will be at the middle school. We are no longer permitted to drop off in between the two schools.

Thanks,
April :)
