We have 2 more weeks left in 3rd nine weeks. Let's finish this nine weeks strong. This is an opportune time to review some critical components to school success:

- Effort: remind your child to work hard each day
- Communication: check the backpack, talk and read with your child daily
- Behavior: Be A Cruiser STAR

T - Take Responsibility

A - Act Respectfully

R - Reach Goals

Thank you for your support at home. We appreciate your partnership!

BLACK HISTORY MONTH

February is Black History Month and we believe that we should celebrate diversity and learn about Black History which is American History throughout the year. We also know it is important to learn about the importance, relevance, and why to celebrate Black History month. Our teachers have planned various activities throughout the month to celebrate by sharing influential historical figures, musicians, artists, actors, authors, government officials, etc. Over

the past few years we have continued to add multicultural interactive read-alouds. We have also been sharing Black History Facts each morning on the announcements.

Here is a quote from one of my favorite motivational speakers. *People get upset not because of the adversity they face but because their adversity reveals who they really are* - Inky Johnson

If you don't follow Inky on Twitter - you should :)
