FOCUS ON LEARNING

Mrs. Kehoe-Conn's 1st graders had a google meet with Mrs. KC's dad who is a Veteran. Then the kids all wrote letters to veterans and Mrs. KC's dad will deliver the letters to a veteran returning from an honor guard flight today. One of the students even wrote the word veteran with her wikki sticks during word work.

CHILDREN'S GRIEF AWARENESS DAY

November 17th is Children's Grief Awareness Day. Students can wear BLUE on this day, the color of Children's Grief Awareness Day, and/or add a butterfly, the symbol of HOPE to show their support.

The purpose of this day is to call attention to the prevalence of children's grief and of the needs of those children around us who have had someone close to them die.

Groveport Elementary is linked to the Ohio Health Grief Group Counseling program. It is a 6-8 week program (provided here during the school day) that helps children through grief.

Email me at kerri.lloyd@gocruisers.org to receive a permission form or to learn more about this program.
