Principal's Message

Dear Parent/Guardians,

I wanted to let you know that on Monday, November 22nd at 9:15, we will be having our 1st safety drill which is an intruder lockdown drill. It is a state requirement to conduct at least 3 safety drills per year. We will be working with the Groveport Police department, so please don't be alarmed if you see a few police cars out front.

For this particular drill we are going to only practice barricading and staying in the classrooms not evacuating. Future drills we will practice evacuating or deciding which to choose based on the information given. (THERE WILL BE NO PERSON PLAY ACTING AS AN INTRUDER but there will be uniformed officers present to observe). We will allow the drill to run for about 5 minutes so we can quickly check the building to see how the teachers and students did following the directions. I will then make an announcement the drill is complete.

Teachers will prepare students so they know this is a drill and just like tornado and fire drills we practice so that we can keep the students safe in the event of an emergency. If this were a real evacuation the first priority would be to get out of the building and AWAY FROM THE DANGER. The two recollection points for our building are the rec center and the golf course. Please know that our top priority is to protect your child and keep them safe. If you have any questions, don't hesitate to call or email me.

Have a great weekend!

April :)

A Time for Thanks and Giving Presentation

Thank you to the parents who were able to join the google meet to celebrate our school. It was disappointing that only 100 participants could join and many families were not able to get in to the meet. However, the pictures and videos on the slide presentation can stand alone, so if you didn't get a chance to view the presentation emailed through final forms here it is again.
