

GREETINGS FROM GROVEPORT ELEMENTARY

MARCH 19, 2021 NEWSLETTER

IMPORTANT INFORMATION

Report Cards Available - You can view your child's report card on Progress Book for 3rd nine weeks. We will not be mailing home report cards.

Students Returning - Monday all students (except for students who signed up for Cruiser Digital Academy for the year) will be returning to a 4 day a week schedule. Wednesdays will stay a remote learning day until May. We are excited to transition our students back to more days of in person learning! Monday will be Cruiser Spirit Day so wear RED and BLACK!!

Change to Car-Rider Procedures - Starting Monday, March 22nd our group A and B students will now be one group. As we look at the number of car-riders from both groups combined we will need to return to our precovid pickup routine to prevent cars from blocking traffic on Main Street. For the safety of all students, please follow these directions and encourage your fellow parents to help out too.

- Parents will need to park either in front of Middle School Central or in Middle School Central's parking lot in a legal spot.
- All students will be walked to the corner of the middle school and will wait behind the yellow line until their parent meets them. Once students see their parent; they will raise their hand and the teacher will dismiss them.
- Parents you will then escort your child through the parking lot to your car. We ask that you wear a mask at pickup and you do not stand around socializing as we are still following social distancing guidelines as best we can and the quicker we have students picked up the safer it will be for all of us.
- Once you are ready to exit the parking lot please follow the flow of traffic to exit from Middle School Central's parking lot.

It is hectic at the end of the day and we know parents are busy, but please don't try to cut the line. It will be so much safer and efficient if we all follow the same system. Thank you for your patience as we try to transition back to our "normal" car-rider pickup.

State Testing - Cruiser Digital Academy students will begin State Testing on Wednesday, March 24th taking the ELA (Reading and Writing) test. Blended Learning students in 3rd grade will take part 1 on March 25th and part 2 on March 26th. 4th and 5th graders will take part 1 and 2 on March 25th.

Picture Retakes - Cruiser Digital Academy students are welcome to come to Groveport Elementary (regardless of home school assignment) between 9 -11 on March 22nd or March 25th. We will send a separate email with a digital form to pick a package, but if you want a paper copy, please call the school and we will get you one. Even if you aren't buying pictures it would still be good to get your child's picture taken so he/she will be in the yearbook. We are encouraging all in person students who want a retake to plan to have their picture take on Monday, March 22nd. We will call any student who was absent for the original picture dates (February 8th or 11th) to be photographed on Monday.
