

# Greetings from Groveport Elementary

MARCH 26, 2021 NEWSLETTER

## PRINCIPAL'S MESSAGE

It was so great to have our Blended Learning students back together this week. I think the students enjoyed getting to know the other 1/2 of their class in person. If your child is feeling overwhelmed by the number of students or the changes we had to make to safely accommodate the students it will get easier. We have to remember to be patient and supportive of each other because after all this is a lot of change for all of us. On top of everything else our 3rd, 4th, and 5th grade students had to take state tests this week and we couldn't be more proud of the focus and effort they showed. We are proud of ALL of our kids - They are truly amazing!

While we are still 4 days a week students will need to take chromebooks back and forth from school and home. It is very important that you charge the chromebooks each night so they are ready for the next day. Once we go back to 5 days a week in May we will collect the chargers and keep the chromebooks at school and charge them each night at school. Thanks for helping remind your child to charge them up at night for now.

Thank you for all you do to support our school family! Have a wonderful weekend!  
April :)
