

# Greetings from Groveport Elementary

April 16, 2021 Newsletter

## Important Information

**Chromebooks** - Please make sure your child charges his/her chromebook each night. Students need to have a fully charged chromebook for class each day.

**Return to 5 Days a Week** - We will remain learning in person and we still plan to return to 5 days a week starting the week of May 3rd unless the Governor and Franklin County Health Department direct us to shut down. Just because Franklin County moved to Purple doesn't mean our district is in Purple, plus schools are a more controlled environment and our kids are doing an amazing job wearing their masks and washing their hands because they want to stay in school. Please know that we are monitoring the conditions in our district and we will continue to do our part by enforcing the use of masks, social distancing, and cleaning and disinfecting our school. We will keep you updated on any changes that may impact our current plans.

**CDA Information** - Cruiser Digital Academy students will remain in 100% online learning format through the end of the year and will be adding Live Meets on Wednesdays starting in May. Look for more specific details soon on what the Wednesday schedule will be from your Cruiser Digital Academy teacher.

**Vaccinations** - Didn't get vaccinated because you thought it was a hassle or couldn't get an appointment? No worries - Anyone 16 or older can receive the COVID-19 vaccine at our High School. Super convenient! Students under 18 will need a signed parent consent form. Nationwide Children's Hospital will administer the two doses of the Pfizer vaccines.

**Mon., Apr. 19 – 1st dose given between 9 AM to 2 PM**

**Mon., May 10 – 2nd dose given between 9 AM to 2 PM**

## Lunch Choice Next Week
