Kids give the 1st Week of School a Thumbs Up!

Kindergarten Staggered Start a Success!

Kindergarten students had a great 1st day. The smaller classes helped students start with extra support and attention they needed to feel happy and successful on their first day of school!

Focus On Learning

Students have been learning a lot this 1st week. Many teachers have been going over the behavior expectations to set the tone for a great learning environment. Students have been learning what is expected behavior in the classroom, but also in the common areas (hallway, bathroom, cafeteria, playground). Ask your child what it looks and sounds like to Be A Cruiser STAR - Stay Safe, Take Responsibility, Act Respectfully, and Reach Goals.

iReady Reading and Math Assessments

Starting next week and over the next couple of weeks students will begin taking their iReady Assessment for Reading and Math. All students will take the assessment again in the Winter and Spring so we can measure their growth and teachers can continue to plan lessons and monitor progress. We will send out additional videos and instructions on how to understand your child's scores and how those scores help teachers plan instruction for the students. Check out this short video below that explains 4 things you need to know about the assessment.

iReady Video for Families

Chalk the Walk

Thank you to our PTO for organizing the Chalk the Walk activity for our families last Sunday. Students were so excited to see the inspirational messages and creative drawings this week.
