## PRINCIPAL'S MESSAGE

**Parent- Teacher Conferences** are next Thursday, October 6th from 4:00 - 7:30 and the following Tuesday, October 11 from 4:00 - 7:30.

If you haven't scheduled a time yet, it isn't too late, please contact your child's teacher. Conferences are an excellent time to meet one-on-one with your child's teacher, see your child's classroom, and discuss how your child is progressing. The purpose of Parent-Teacher Conferences is to share information and really focus on what is important: your child making academic and social emotional growth every day. We realize that 15 minutes isn't very long, but this is a great chance to check-in and start to build a partnership with your child's teacher if you haven't already.

**I have a few suggestions to help make the most out of the meeting.**

- Please do your best to be on time for the conferences.
- Make a list of questions to ask during the conference and/or a list of anything you would like to share about your child.
- Be prepared to hear both positive feedback and areas for improvement - just like you teachers want your child to succeed and we all have things that we need to work on.
- Keep the partnership going throughout the year.
- Talk to your child about what you learned at the conference. Let your child know that you and the teacher are working together to help them.

Thank you for your continued support!

## FOCUS ON LEARNING

A few years ago the district went paperless for Interim Reports and Report Cards. All attendance and grades can be viewed on Progressbook. We will send a hard copy of the report card home at the end of the year which has all of the grades for the entire year, but parents are expected to login to Progressbook throughout the year. Any parent who doesn't have an account set up a letter was sent home yesterday with directions on how to set up your

account and your registration key. Please look for this letter and sign up so you will be able to check your child's progress.

## AFTER SCHOOL PROGRAM

Our school is partnering with Ethiopian Tewahedo Social Services to provide an afterschool program. If you are interested check out the attached flyer for more information.
