## Principal's Message

Dear Parents and Guardians,

We only have 9 days of school and it is important that we all stay focused and make the most of them. We are all excited to celebrate the accomplishments of our students and the end of the school year, with many fun events and traditions taking place over the next 2 weeks of school. The safety of our students and staff remains our top priority. While we all want to enjoy these final days, our expectations for student behavior cannot diminish. We expect students to behave appropriately and come to school each day with a positive attitude ready to learn and follow our school rules and expectations. Students who choose not to follow the expectations will have their school year end short. Parents can help by making sure your child gets plenty of rest, stays on a schedule, and come to school on time. Let's work together to make the end of the school year a great success.

I also want to thank our AMAZING PTO for making the entire staff feel special and appreciated this entire week. They went above and beyond for all of us and we are very grateful!

Thank you,  
April :)

## Principal's Artist Pick!

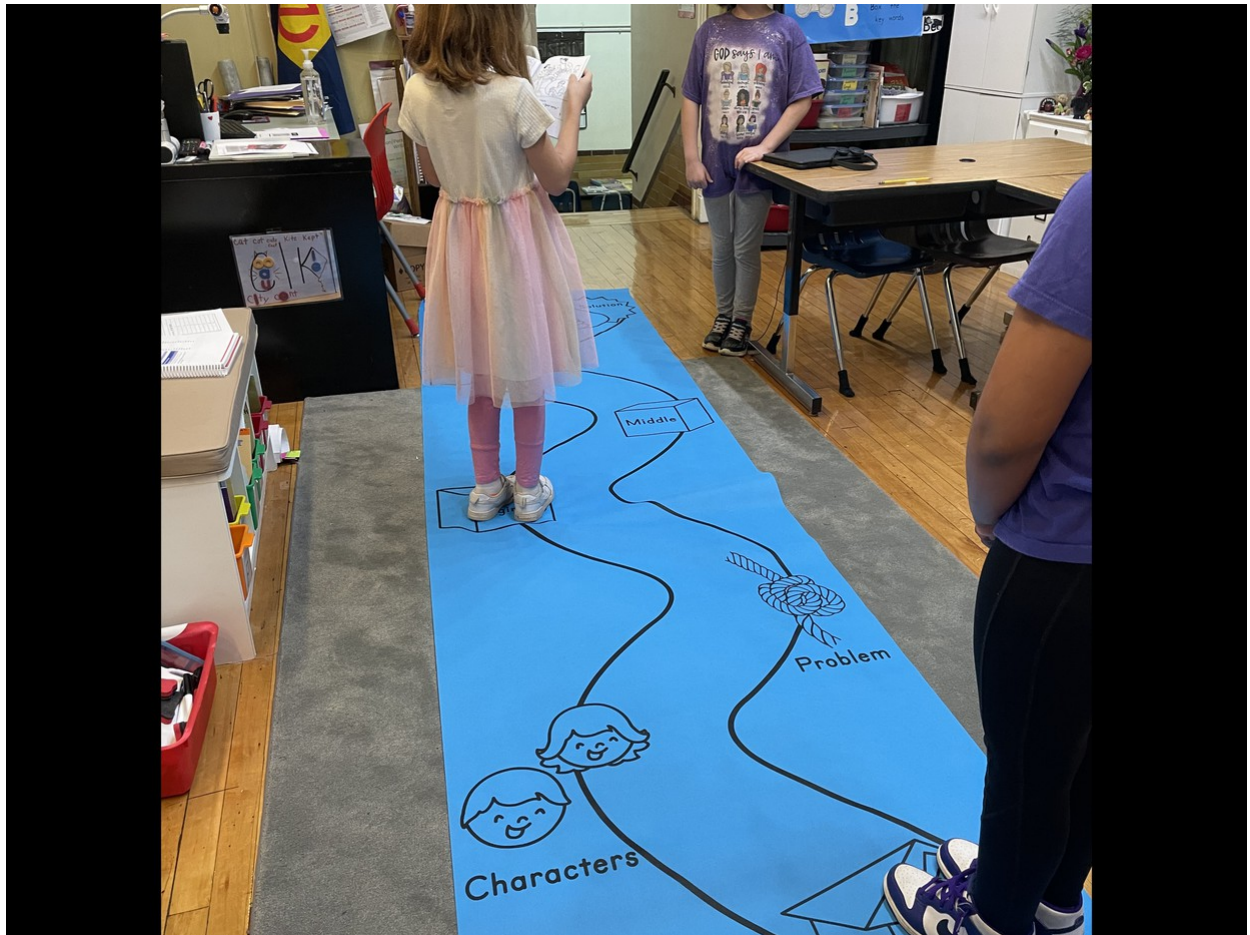

Each year I choose an art project as the Principal's Pick. This year my pick goes to Alicia Zacatlan - Congratulations! Alicia's artwork will be framed and displayed in the school office

for all to see for years to come! Thank you Mrs. Sperk for always having so many amazing projects to choose from and for uploading all of the student work on Artsonia!

## Focus on Learning

Mrs. Anderson our Title I reading teacher plans so many engaging lessons for her students. Here is just one example from this week. Students practiced four different ways to make the /j/ sound by reading a decodable book. Then, they took turns retelling the story by following the path.

## THANK YOU LULULEMON!!

The company in Lululemon in Groveport recently got a new director and he wanted to give back to the schools and help celebrate Staff Appreciation. They donated cinch sacks and a journal for every staff member and they also donated a cinch sack for every student. It was unexpected and the staff and students were very excited and appreciative. A special thank you to **Jordan Saylors** (*ECDC - P&C Advisor*) from Lululemon who helped coordinate everything.

## Field Day Volunteers

Sue needs volunteers for field day so I offered to help her make a sign-up genius. Here is the link. <https://www.signupgenius.com/go/70A0C4BA8A829A7F85-gefield>
