## Principal Message

Dear Groveport Elementary Staff,

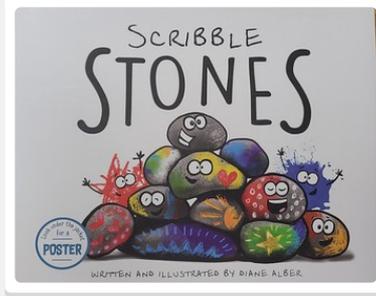

I wish the very best for you all year long, but Teacher Appreciation Week is extra special and with it coming up next week I just wanted to send a note of gratitude. I am so thankful for the teachers I currently work with and for the ones I had growing up as a student at Groveport Madison Schools. Thank you so much for making this a great place for our students to learn and grow. Please know I appreciate and understand how hard you work (especially this crazy year) and how much energy and passion you put into Every Student, Every Lesson, Every Day! THANK YOU!

Much Love and Respect,  
April :)

Grateful Principal

## Spread Kindness and Cheer

Students in Mrs. Monhollen's class learned about teamwork and spreading happiness. They listened to the story, *Scribble Stones*, by Diane Alber. Which is a story about a stone that is excited about becoming something amazing, but ends up being a dull paperweight. However, when he meets Scribble and Splatter, he discovers that with teamwork and a little creativity, they can spread cheer to those around them. The students were able to start their own Scribble Stone project to continue the spread of kindness and cheer. Check out some of their creativity!
