## *Principal's Message*

### **Interim Reports Available Tonight on Progressbook**

Students in grades 1 -5 will have a Interim Report available on Prograssbook. The first few weeks of school are dedicated to getting to know your child, learning procedures and assessing. Teachers will use the data gathered from these assessments to plan lessons. In most cases your child has not had a lot of work graded. Please keep this in mind when reviewing your child's Interim Report. It is possible that it could be higher or lower than you are accustomed to. If you have any questions about your child's progress thus far, please contact his/her teacher. The first nine week grade card will be a better reflection of how your child's year is going academically.

### **Masks on Buses**

Just a friendly reminder that the CDC rules changed with regard to masking on buses. Masks are now required on buses until January 29, 2022.
