Principal Message

Let's Finish 2020/2021 School Year Strong!

We only have 15 days of learning left (Last Day May 28th) and it is important that we all stay focused and make the most of them. We need students to come to school each day with a positive attitude ready to learn. Parents can help by making sure your child gets plenty of rest, stays on a schedule, and comes to school on time. Thanks for your support at home!

Happy Mother's Day to all the lovely, loving Moms out there - wishing you a wonderful day on Sunday!!

April :)

Focus on Learning

5th graders working on figurative language, including determining the difference in the figurative and literal meaning of idioms. Finding creative ways to engage the students in learning when group work is difficult with social distancing.
